The Visit at Science City was organized by Department of Electronics & Communication Engineering of G H Patel college of Engineering & Technology, Vallabh Vidyanagar for B.E. 2nd year and 3rd year students on 29th April 2022.

Gujarat Science City is a bold initiative of the Government of Gujarat to realize this priority. The Government is creating a sprawling center at Ahmedabad which aims to provide a perfect blend of education and entertainment. It will showcase contemporary and imaginative exhibits, minds on experiences, working models, virtual reality, activity corners, labs and live demonstrations to provide an understanding of science and technology to the common man. Various objectives of science city are mentioned here. To nurture and stimulate the scientific faculties of community and develop rational thinking and scientific temper. To promote innovative and experimental activities through minds-on exposures and hands-on learning process. To promote and exhibit interaction of science, technology, energy and environment with human life. To showcase the latest scientific and

technological breakthroughs. To establish a countrywide network with Shared programs in association with various Institutions and organizations.

This Science City has been developed to foster education with a blend of entertainment for the general mass. It hosts an amazing centre with imaginative and informative yet contemporary exhibitions of labs, working models, interesting activity corners and virtual reality with live demonstrations to provide an understanding of science and technology to the common man.

There are essentially 13 main sections in the Science City complex viz.: -

1. IMAX Theatre
2. Electro dome
3. Hall of Space & Science
4. Amphitheatre
5. Expo Ground
6. Children Activity Centre
