ABOUT INSTITUTE:

G H Patel College of Engineering & Technology (GCET) was established in 1996, one of the premier self-finance Institute of Gujarat State as per the norms of AICTE by Charutar Vidya Mandal trust. Currently the institute is running with eight (08) disciplines at under-graduate level and nine (09) at post graduate level. The institute has excellent infrastructural facilities with ultra-modern laboratories. The institute owns highly competent and dedicated pool off faculty members. According to the latest Times Engineering survey, GCET ranks 2nd position in top self-finance colleges of Gujarat and 59th in the country. GCET was affiliated to Sardar Patel University from the year 1996 to 2008 later on from the year 2008, Institute is affiliated to Gujarat Technological University. New admission from academic year 2020-21 are done under the Charutar Vidya Mandal University (CVMU).

ABOUT DEPARTMENT:

Department of Electronics & Communication was started in 1997. Post Graduate courses were started in Communication Engineering and Embedded Systems in 2007 and 2013 respectively. Right from its inception it is continuously striving to impart quality education and promoting competitive spirit among students for academic excellence. The department has well equipped laboratories with good infrastructure and highly qualified as well as experienced faculties. The department has organized various International conferences, workshops, seminars for the benefit of engineering students, faculty members and professional engineers. Department received AICTE – MODROB grant for IoT & WSN laboratory, and R&D project grant worth rupees 20 lakhs from various agencies like GUJCOST and CSIR. The Department has been accredited by NBA for 6 years since 2015.

ABOUT FDP:

Internet of Things offers advanced connectivity of devices, systems, and services that goes beyond machine-to-machine communications and covers a variety of protocols, domains, and applications. This STTP covers the current Industry Trends in IoT which encompass a wide range of skills that are integral and necessary part of everyday business, day to day life or work environment.
