Event Name:	One Day Workshop on Interaction Design
Venue:	Seminar Hall
Time:	11:00 AM to 04:00 PM
Speaker:	Mr. Hardik Dubal
No. of Participants:	49

The CSI Student branch at G. H. Patel College of Engineering & Technology (GCET), V.V. Nagar organized a one-day workshop on “Interaction Design” on 11th February, 2023 in association with GCET Idea lab. The expert for this workshop, Mr. Hardik Dubal, is a senior game programmer at Megarama Games Limited. 49 students took part in the workshop. Dr. Maulika S. Patel, Head of Computer Engineering department, presented a bouquet of flowers to Mr. Hardik Dubal to mark the beginning of the session.

This one-day workshop was focused on Interaction Design, teaching the basics and giving hands-on experience to participants. The speaker introduced the audience to interaction design with the basics and the fundamental tools used for it. This helped participants to grasp the essentials. Following Mr. Hardik’s detailed description of

prototyping, the participants were able to understand the process of creating a basic prototype using various tools and some shortcut techniques.

This insightful workshop was followed by Q&A and Feedback session. Dr. Kinjal Joshi concluded the session by presenting a memento and Letter of Appreciation to Mr. Hardik Dubal.

About the Speaker:

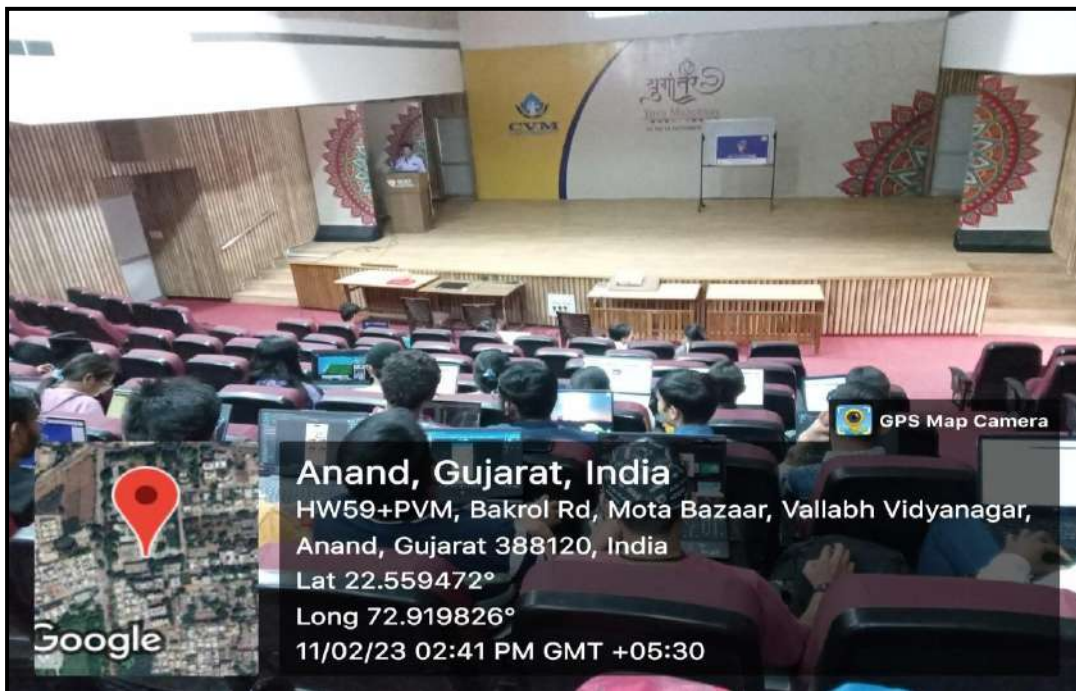

Mr. Hardik Dubal

The speaker has been in the gaming industry for around 12 years. He began his journey as a visiting lecturer and later moved as a Sr. Software Engineer in Azilen Technologies Pvt Ltd. Over the years he has been involved in Programming gameplay, game design, system analysis, Wireframe Creation, and other gaming projects. He has been collaborating with game designers to translate functional requirements into technical requirements. At present, he is a Senior Game Programmer (C++) at Megarama Games Ltd, a highly known social casino games developing organization, focusing primarily on slots games.
