Event Details:

Institution's Innovation Council and Department of Electrical Engineering of G H Patel College of Engineering & Technology (GCET) in collaboration with Incubation and Entrepreneurship Development Cell (IEDC) GCET organized an "Innovation and Entrepreneurship Outreach Program in School/Community" at S D Desai High School, Vallabh Vidyanagar on 31st August, 2023. Jignesh Patel, Assistant Professor of Electrical Engineering Department, GCET conducted the program. Around 49 students and four teachers enthusiastically participated in the program.

Objective:

The objective of the program was to provide an awareness of innovation and entrepreneurship, and to encourage the school students to develop innovative solutions.

Outcome/Benefit:

The session introduced the school's students to the world of entrepreneurship and innovation, inspiring them to become future leaders. They learned about the importance of a vibrant local innovation ecosystem. This gave students a perspective on how innovation works through innovative projects.

Total expenses: NIL/-.

Photographs:

No of Participants: 49 Students and 4 teachers.
