EVENT REPORT

Workshop on “How to think like a Data Scientist?”

Day & Date: 24th March, 23 (Friday)

Time & Venue: 10.00 AM to 3.00 PM

No. of Students Participated: 110

Event Description:

Department of Information Technology, G H Patel College of Engineering and Technology (GCET), CVMU, Vallabh Vidyanagar, in association with ISA Student chapter, organized a workshop on “How to think like a Data Scientist? – To solve real world problem” on 24th March, 2023 from 10:00 AM to 3.00 PM at seminar hall. The event was planned and managed by 2 faculty coordinators – Dr. Miral Patel and Prof. Vinita Shah. It was specially organized for the students of Computer and IT branch as well as minor degree students of GCET to aware them about data science basics. Total **110** students registered for the event. The sessions were delivered by Mr. Ashish Patel, He is working as a senior AWS AI/ML Solution Architect at IBM, Gandhinagar.

All the participants aware about the basic concepts of data science as well as they experienced about how to do coding in Google Colab. Participants also made use case projects of Data Science. Participants learned a lot from the workshop.

At the end of the event, Dr. Miral Patel and Prof. Vinita Shah, Faculties of Department of Information Technology, presented a memento and Letter of Appreciation to Mr. Ashish Patel and concluded the event.

The event received very good feedbacks from participants. Students have found it to be very inspiring and motivating which intern makes the event a success.
