Parents' Meeting of Diploma students

Date: 23rd March, 2024

A Patents' Meeting was held for selected students from Diploma Computer Engineering and Diploma Information Technology, on 23rd March, 2024, Saturday at GCET from 9:30 am onwards.

It was begun with registration and refreshment from 9:30 am to 10:00 am followed by the meeting.

Meeting was scheduled for those students, who had either poor result in End Semester University exam of 1st Semester or less attendance in 2nd Semester.

Meeting was attended by mentioned students, their parents/ guardians, their Counsellors and subject teachers, Principal, Head and Diploma coordinators of both departments.

The meeting commenced with a warm welcome to all parents, guardians, students, and faculties who attended. Principal Dr. Kaushik Nath addressed the audience explaining importance of consistency and sincerity in achieving good result. Then after Head, Computer Engineering, Dr. Maulika Patel and Head, Information Technology, Dr. Nikhil Gondaliya discussed about concerns of faculties about students' result and attendance. They also touch upon the points about importance of regularity in attendance and submission, approaching faculties for doubt solving and role of discipline and decorum in their life. A question-and-answer session concluded the meeting, allowing parents to seek clarification on any concerns they may have had. Finally, Parents meet counsellor and subject teachers to get an exact idea about progress of their ward.

  The purpose of the gathering was emphasizing the importance of collaboration between parents and the college administration to ensure the success and well-being of the students.

The academic progress of students was discussed, highlighting their results, attendance, and areas of improvement. Discussion was about:

- End Semester University exam of 1st Semester,
- Mid Semester exam of 2nd Semester,
- less attendance in 2nd Semester,
- Identification of students experiencing academic challenges and strategies for improvement,
- Discussion on the importance of regular communication between parents, students, counsellors, and faculty to address academic concerns promptly.

Parents appreciated the efforts made by institute to make them aware about their ward's progress.
