Department of Computer Engineering, GCET organized a one-day industrial visit to Odoo, located in Infocity, Gandhinagar, on 5th March 2025. The aim of this visit was to provide students with valuable insights into ERP solutions and business management software, bridging the gap between academia and industry. This visit served as an excellent learning experience beyond the classroom.

The visit was organized for B.Tech. 6th Semester students from the Computer Engineering (CP) and Computer Science & Design (CSD) departments. A total of 73 students, accompanied by four faculty members, actively participated in this industrial visit. The journey began early in the morning from the GCET college campus, with students reaching Odoo's office in Gandhinagar at 11:00 AM as per the planned schedule. Upon arrival, the Odoo team warmly welcomed the students, and a group photograph was taken to mark the occasion.

Following this, the students proceeded to the canteen, where Odoo professionals conducted an informative presentation. The session covered various aspects of the company, including: Odoo's business model and its efficiency, Benefits of working at Odoo, Employee experience and work culture, Recruitment process, and Key red flags to consider when applying for jobs.

After the presentation, students were given a guided tour of different office floors, where they observed developers at work. This experience provided them with first-hand insights into daily tasks, teamwork, and the agile development process followed at Odoo.

With a deeper understanding of Odoo's work environment and enterprise solutions, students concluded the visit with an enriching exposure to the corporate world. The industrial visit was a successful and insightful experience, helping students connect theoretical knowledge with practical industry applications.
