

Visit to Indeeksha Digital Pvt. Ltd, Ahmedabad, Gujarat!

We had the privilege of visiting Indeeksha Digital Pvt. Ltd., recognized as one of the best VLSI (Very Large Scale Integration) training institutes in Ahmedabad, Gujarat, and it was an incredible experience! ✨

Indeeksha Digital stands out for its comprehensive VLSI training programs that blend theoretical knowledge with practical, hands-on experience.

Dr. Hitesh Shah, Dr. Samir D. Trapasiya, Dr. Kavindra Jain, Prof. Rohit Parmar, Prof. Parthesh Mankodi visited together.

During our visit, we were impressed by:

- ◆ The state-of-the-art infrastructure and labs equipped with the latest VLSI tools and technologies
- ◆ Highly experienced trainers who are experts in the VLSI domain and passionate about mentoring the next generation of engineers
- ◆ A curriculum that covers everything from basic concepts to advanced VLSI design and verification techniques
- ◆ The focus on industry-relevant skills, ensuring students are well-prepared for the demands of the rapidly evolving semiconductor industry

It's amazing to see how Indeeksha Digital is shaping the future of VLSI professionals and empowering students with the skills needed to excel in this high-demand field. 💡

We extend our sincere gratitude to Mr. Vishnu Vaishnav and Mr. Sukhveer Rajliwal for the insightful discussion on the current scenario and future prospects of the semiconductor industries in Gujarat and India.

Kudos to the entire team at Indeeksha Digital for their dedication to excellence in education and for providing such an enriching learning environment!
