

An incredible experience at EFY Expo Gujarat 2025 in Gandhinagar!

This year's EFY Expo brought together the brightest minds and the latest innovations in the electronics and tech industries. 🚀 From cutting-edge gadgets to breakthrough solutions in IoT, AI, and automation, the event was a perfect blend of inspiration and learning.

What stood out:

- Engaging discussions on the future of smart technology
- Hands-on demonstrations of the latest tech products
- Networking opportunities with industry leaders and innovators
- Insightful workshops and product launches

It was amazing to witness how the electronics industry is rapidly evolving and the role technology will continue to play in shaping our world. 🌐💡

A big thank you to the organizers for putting together such an amazing event, and to everyone I had the pleasure of meeting! Looking forward to applying what I've learned and staying connected with the community. 🤝

Team of Department of Electronics & Communication Engineering faculty members including Dr. Hitesh Shah, Dr. Samir Trapasiya, Dr. Kavindra Jain, Prof. Rohit Parmar, Prof. Parthesh Mankodi and Dr. Mehul Thakkar (MBIT) visited this expo.
