Date: 24th July 2025

Time: 3:15 P.M-5.00 PM

Venue: Seminar Hall / Auditorium, GCET

Organized by: Department of Mechatronics Engineering

Supported by: SSIP Scheme

Faculty Coordinators: Dr.Ravi Gandhi, Dr. Damir Trapasiya

Target Audience: 3rd and 4th Year Engineering Students (All Branches)

Introduction:

The Department of Mechatronics Engineering, GCET, organized an insightful **Introductory Seminar on MSME Idea Hackathon – 5.0** on **24th July 2025**, with the aim of raising awareness about the national-level innovation challenge initiated by the **Ministry of Micro, Small & Medium Enterprises (MSME), Government of India**. The session was conducted to encourage young innovators to actively participate and contribute to solving real-world challenges under the various themes of the hackathon, and to brief them on the structure, benefits, and submission process. The event was held under the **SSIP (Student Startup and Innovation Policy)** scheme.

Objectives of the Seminar:

- To introduce students to the MSME Idea Hackathon 5.0 initiative.
- To highlight the five key themes for the hackathon.
- To create awareness about funding opportunities and incubation support.
- To encourage students to form interdisciplinary teams and submit innovative solutions.

Themes for MSME Hackathon 5.0:

- Low-Carbon Footprint Solutions/Technologies
- Stealth, Surveillance, and Cyber Defense Technologies
- Adoption of Industry 4.0 & 5.0 in MSME Ecosystem
- Innovation for Business Upliftment in Coastal & Hilly Areas
- Smart and Resilient Supply Chains

Seminar Highlights:

- The event began with a welcome address by the coordinators **Dr. Ravi V. Gandhi** and **Dr. Samir Trapasiya**, who emphasized the importance of innovation and problem-solving in today's industry landscape.
- Students were briefed on the registration process, funding benefits (up to ₹15,00,000/-), and timeline of the hackathon.
- The session included an interactive Q&A segment, where queries related to team formation, idea selection, and documentation were addressed.
- The students were shown the official poster and guided to register through the MSME portal using the QR code.
- Participants were also made aware that Charutar Vidyamandal University (CVMU) is selected as the Host Institution for this hackathon.
