Civil Engineering Department

G H Patel College of Engineering & Technology

Vallabh Vidyanagar, Anand

G H Patel College of Engineering & Technology
(A Charutar Vidyamandal Institution)
Bakrol Road, Vallabh Vidyanagar, Gujarat, India – 388 120

DEPARTMENT OF CIVIL ENGINEERING

About the Institute

Charutar Vidya Mandal planned in the year 1995 to set up a private engineering college as per the norms of the All India Council for Technical Education (AICTE) and the policy of the state Government. Shri Gordhanbhai Hathibhai Patel, an eminent philanthropist of Gujarat, made a generous donation of rupees three crores for the new college. In honour of his magnanimous gesture, the college was named G H Patel College of Engineering & Technology, popularly known as GCET. The college started functioning in the academic year 1996. The institute is built on more than 10 acres of land. The architecturally imposing college building houses class rooms, offices, well-equipped laboratories, several computer centers, drawing halls, audiovisual rooms, workshop and other facilities like boys' hostel, girls' hostel, library building, staff quarters, centrally air-conditioned auditorium and a seminar hall are also located on the campus. Currently GCET is running 8 undergraduate programs and 9 post graduate programs.

About the Department

Civil Engineering is the youngest department in the college established in the academic year of 2014 - 15 with an intake of 60, affiliated to GTU, Ahmedabad. The department has 13 qualified faculty members and has developed all the necessary laboratories and infrastructure facilities. Two batches are passed out in academic year of 2017 -18 & 2018 – 19. 41 students got campus placement in 2017 – 18 and 21 in 2018 – 19. Also, 7 students had cleared GATE – 2019.

Students' Achievement

Students (2014-18 Batch) received
First Prize “Institutional Innovation” category of
Summer Innovation Challenge 2018 by **Hon. Chief Minister of Gujarat**

Brijesh Wala
(2014-18 Batch)
Pursuing
M.Tech. at
IIT Delhi

Kishan Thacker
(2015-19 Batch)
Received
L&T Build India Scholarship

Sponsorship to
M.Tech. in
Construction
Technology &
Management at
IIT Madras and
subsequent
employment in
L&T as Senior
Engineer (O-1)
cadre

Tushar Donga
(2015-19 Batch)
Pursuing
M.Tech. at
MNIT Jaipur

Internship and Software Training

Internship and Software Training are important for keeping an engineering student updated. It is a chance for them to put what they have learned at the institute which will be helpful in handling real-life situations. To match with the current industry requirement, the department has organized Internship at reputed locations like *Central Public Work Department (CPWD), IIT Gandhinagar, Central Design Organization (CDO), GeoCarte, Patel Infrastructure Pvt. Ltd., Adani Hazira Port, Etc.* Also, the softwares for which training programmes were organized are *ArcGIS, STAAD Pro, AutoCAD, Ansys* etc.

Student Feedback

Shivani Khetani
2015-19 Batch

The Department of Civil Engineering at GCET has provided me the foundation to become a passionate and dedicated engineer. Along with the enthusiastic faculty and dynamic Head of Department, the state-of-the-art lab facilities and sound infrastructure prove the emerging department belongs at a highly reputed engineering college such as GCET. The academics, curricular and extracurricular activities are constantly challenging and shaping students to be better learners and provide the best output for themselves. The experience I have had of enjoying and learning from my lectures, labs, technical and non-technical events, and most importantly industrial visits concludes me to say I am a proud alumnus of the second batch of Civil Engineering at GCET.

Kishan Thacker
2015-19 Batch

Being the new department at the institute our department had very new things to discover for the students. The immense dedication and efforts of the whole department has helped the department to achieve all over excellence & foster qualities in students. The department frequently arranges industrial visits to help the students in understanding practical aspects of civil engineering some of the visits include Adani port-Mundra, Sardar Sarovar dam, ISRO Ahmedabad, GERI-Vadodara, etc. the laboratories are well equipped as per the industry norms. In terms of placement also the TPC cell has managed to get some of the top companies of the field. I feel proud to be the alumnus of the Department of Civil Engineering, GCET.

Departmental Activities

- Seminar on “Recent Advances in Civil Engineering”
- Indian Green Building Council (IGBC) Week Celebration
- Road Safety Week Celebration
- Industrial visits at Adani –Mundra Port, Sardar Sarovar Dam & Statue of Unity, Kadana Dam, Gift City, ISRO etc.
- Expert Talks & Alumni Talks
- Active Students Chapters like IGBC Student Chapter, ISTE Student Chapter etc.

Placement Record

Academic year - 2017-18: **41**, 2018-19: **21**
